

Sermon Notes

When Christians disagree... (2)

Romans 14:13-15:7

Intro: how does a multicultural church stay united in worship?

→Developing a mind transformed by the gospel (12:2)

To those aware of your Christian freedom... [“the strong”]

1. Decide not to do anything that would make your brother stumble

(14:13-23)

Because:

...we don't want to destroy one for whom Christ died

...and destroy the work of God

2. In fact, build them up, aiming to please others, not yourself

(15:1-7)

Because:

...Christ didn't live to please himself

... and we've been welcomed by him

Conclusion: God is most glorified when we are most in him

(15:5-6)
