Questioning God's Justice

Habakkuk 1:1-2:1

Complaint 1 (1:2-4): "How long will you do nothing about the evil of your people?"

Answer 1 (1:5-11): "I am already at work bringing the Babylonians as judgement against Judah."

Complaint 2 (1:12-2:1): "How can you tolerate the violence and pride of the Babylonians?"

Lessons for Habakkuk and for us:

- i) The LORD *does* feel the outrage of injustice.

- ii) The LORD's timing is different to ours.

- iii) The LORD's way of working will surprise us.
