

Sermon Notes

Trusting and Rejoicing in God

Habakkuk 3:1-19

Habakkuk's journey from relatable to slightly less relatable (1:1-4 and 3:2, 16-19)

- *God tells Habakkuk that he will deal with evil and rescue his people in the end (ch2)*
- From only demanding judgement on others to realizing he deserves judgement himself
- From questioning to quiet trust

God can deal with evil and rescue his people in the end (3:3-15)

- God can sort it himself (v3-7)
- God can end his enemies' empires (v8-15)
- God can save sinners (v13)

SO...

Trust in God while you wait AND Rejoice in God when the world gets worse (3:16 and 3:17-19)
