

## Sermon Notes

### God's King and his deceitful opponents

*Psalm 5*

*Intro: A prayer in the face of verbal attack against God's King*

**God's King prays an urgent but confident prayer...** 1-3

**...because God justly judges evil and loves his King** 4-7

Three requests:

[1] **'Help me live a godly life'** 8-9

[2] **'Bring justice on your opponents'** 9-10

[3] **'Bless those who take refuge in you'** 11-12

*Conclusion: 1) appreciate God's King who prays rightly in the face of verbal attack; and 2) pray with him*
