

Sermon Notes

Warning! False teachers

2 Peter 2:1-10a

Intro: Why talk about false teachers? Do we really need this?

False teachers will come, and they will be a serious problem

1-3a

- They will secretly bring in destructive ideas (v1)
- They will deny Jesus (v1)
- They will bring destruction on themselves (v1)
- Many will follow their ungodliness (v2)
- They will bring the gospel into disrepute (v2)
- They will greedily exploit people (v3)

But God's track record (recorded in the Old Testament) proves that he will do something about them

3b-10a

- **and deliver the godly**

<i>'The Lord knows how to rescue the godly from trials...'</i>		<i>'...and to keep the unrighteous under punishment until the day of judgement'</i>	
		✗	E.g. Angels
✓	E.g. Noah [Gen 6-9]	✗	E.g. World [Gen 6-9]
✓	E.g. Lot [Gen 18-19]	✗	E.g. Sodom [Gen 18-19]

Conclusion: Be on your guard against false teaching, knowing God will deliver the godly and judge the ungodly
