

Sermon Notes

If you can get weather, why can't you get Jesus?

Matthew 16:1-12

Intro: I'll never believe in you Jesus, unless you... (16:1)

1. You know how to read the weather signs... (16:2-3)

...but you refuse to read the evidence of Jesus

2. You keep demanding yet another sign (16:4)

...but that actually comes from wrong motives

3. There is one final sign you will be given: (16:4)

...Jesus rising from the dead with an urgent message

Conclusion: (16:5-12)

Be on guard against this attitude – it spreads!
