Jesus' teaching on sexuality, marriage and singleness
Matthew 19v1-12

Is the Bible clear?

- v1-4 Jesus defines humanity as created by God in two sexes - male and female

- v5-6 Jesus defines marriage - one husband and one wife, as one flesh, in lifelong commitment

- v7-9 Jesus declares divorce and remarriage as adultery (except for sexual immorality)

- v10-12 Jesus describes singleness as a valid and God honouring way of life (chosen or not chosen)
