

Sermon Notes

It's not fair?
Matthew 20v1-16

v1-2 Early morning: The vineyard and the first labourers

v3-7 Daytime: The later additions to the workforce

v8-16 Evening: The time for payment

The point: Salvation is by sheer grace, expect to see the last first, the first last

So...

Don't think God owes you more because of your good deeds or hard work

Don't despise those who enter at 'the 11th hour' or don't work as hard as you
