

## **Sermon Notes**

### *The Law and the Promise*

Galatians 3v15-4v7

- 3v15-18      The promise to Abraham and his offspring came first, the Law's arrival didn't alter or annul it
- 3v19-24      The purpose of the Law is to expose our sin and reveal our need of salvation in Christ
- 3v25-4v7      But now, by faith in Christ alone, we are all, equally, sons of God and heirs of the promise
