### Exodus 3: The Lord introduces himself...

1. ...in the non-burning bush: (3:1-6)

**The holy LORD is self-existent**

2. ...in the non-specific name: (3:13-15)

**The unchanging LORD is self-defining**

3. ...in the amazing plans to rescue: (3:7-12; 16-22)

**The covenant LORD is committed to his promises**

[see Genesis 15:12-21]

**The caring LORD sees and hears his people's suffering**
